Grading Policy: Tests (4 @ 20% each) = 80%, Research Project = 20%

Grading Scale: A = 90-100 B = 80-89 C = 70-79 D = 60-69 F = below 60

Attendance & Participation: Regular attendance and participation is essential to achieving satisfactory progress, therefore it is the student's responsibility to attend class and to keep up with the assigned readings so that participation in class discussions and proper understanding of the material can occur. Attendance is taken every class meeting- If tardiness becomes a problem further action may occur. Please let me know if you require special accommodations.

Tests & Final Exam: There will be a total of four tests, with the fourth exam being your Final. The tests will consist of multiple choice, identification, and essay questions. All exams will cover multiple chapters, and the Final is a Departmental version. It is imperative that students complete the reading assignments in order to be better prepared for the exams. I do not drop any test grades. Make-up exams will only be allowed with permission from the instructor and are a different version comprised of the textbook's test bank- Exceptions could be made at the Professor's discretion. No study guides will be provided although students will be allowed to use one index card on the test. If the material on the index card is typed, only one side of a 3x5 card can be used; if it is hand-written you may use both sides of a 4x6 card (Index card must be turned in with the exam and with your name on it).

Extra Credit: In this age of technology it is imperative that college students master the art of internet research, therefore for every exam up to ten extra credit points can be earned if the student submits to me a summary describing a website they found pertinent to the test material- DO NOT use websites such as Wikipedia, Dictionary.com, etc.- Actually research a site related to the material. The assignment should include the URL, the date accessed, author and/or organization that maintain the site, and 2-3 sentences on your opinion of the webpage. The extra credit assignment due dates are by 10pm of the next class meeting after the exam date, and only one extra credit assignment can be turned in per test. The assignment must be posted in the proper Discussion Board thread.

Research Project: The research project will consist of a 10-15 minute Powerpoint presentation covering any topic on American History after 1877- The project can be completed individually or in groups of 2-4 and students will have the opportunity to choose their own members. You must properly cite your presentation- Any writing style can be used although I would suggest using the style commonly used by your major. Your sources should include a minimum of: three books, one website, and a scholarly journal. The presentation will be graded based on a rubric that the professor will provide at a later date- Presentations will be e-mailed to the professor at the designated date. Late presentations will be penalized 5% of the final grade for every day that it is late.

Research Day: This day will be for your benefit- It is your chance to edit your rough draft, discuss your topic with your group members, review your sources, or complete/discuss any other tasks for your research project.

Scholastic Dishonesty: Plagiarism and cheating will not be tolerated and will be handled in accordance to the OC Student Code of Conduct/Board Policy Manual. The Professor has the right to, at his discretion, add or alter any assignments, exams, and or methods.

Classroom Etiquette: Please turn off all cell phones- DO NOT TEXT (Or hold non-course discussions) during class. If it is a necessity that you keep your cell phone on please put it on vibrate or discuss the matter with me before class. You may eat or drink in class...just keep in mind to be courteous to your fellow students.

Tentative Schedule: Your reading assignments on the specified chapters should be read prior to class. Copies of Powerpoint lectures will not be provided.
